

Healers Choice Tables

We call these beautifully crafted tables the 'Healer's Choice', because Reiki, and other therapies using energy, will appreciate the beautiful wood crafted frame. The added advantage of Reiki end braces creates good access at each end of the bed, making this table the Healers Choice!

Healers Choice Massage Table

This timber frame massage table comes complete with an adjustable face crest. An exceptionally solid table, it has stitched rounded corners, no face hole, and extra supports built into the frame for added strength. Our unique auto-setup leg system means your table is ready for use in seconds.
