

Gas Lift Stools

Gas Lift Stools

Three models of gas lift stools are available, in a full range of co-ordinating colours to match your table. Choose from:

-  The Round Stool
-  The Round Stool with Backrest
-  The Peanut Stool

The standard gas lift mechanism adjusts from 46.5cm to 60cm or upgrade to a medium shaft (55.5cm to 74.5cm) or the tall shaft (64cm to 88.5cm).

Budget Gas Lift Stools

A new range of Budget Gas Lift Stools are available in two designs; a simple round top or one with a backrest. If colour isn't an issue, these stools are great value!

The gas lift mechanism adjusts from 46.5cm to 60cm in height.

Colour: Black
