Massage Chair Pro 1

Our state-of-the-art portable massage Chair Pro 1 will bring style and practical comfort to your clinic or mobile massage business. We recommend this superior styled chair for the mobile therapist and is ideal for pregnancy massage.

Designed for the professional practitioner, the chair packs a clever set of features. With fully adjustable seat, chest, headrest and armrest supports, we are supplying total comfort for each individual client and therapist. Firm-n-Fold even supplies a pocket for your client's glasses or mobile phone and a shoulder strap at no extra charge! Just a little personal touch.

Firm-n-Fold's robust designed massage chair will complement and enhance any therapist's work environment, and like all Firm-n-Fold equipment, this massage chair is designed with quality in mind.
