

Oils & Balms

Pure Nature Water Dispersible Massage Oil

Pure Nature water dispersible massage oil is an exclusive blend of healthful edible plant oils, especially formulated for the professional therapist. This unique blend provides superior texture and glide, absorbs easily and reduces build-up and stickiness for greater ease of use and improved client comfort. Pure Nature water dispersible washes out easily, improving cleanliness and hygiene. Available in 1 litre, 5 litre and 20 litre.

- 100% biodegradable
- No nut oils used, vegetable based only
- No added colours or fragrances, no animal derived ingredients, not tested on animals

Make dispensing your oils easier with our 250ml **Pump and Squeeze Bottles** and our ever popular **Oil Bottle Holster**, a must for every massage therapist.

Pure Nature Massage Balms

Pure Nature Massage balms are available in 100g, 250g and 500g tubs. Why use balms instead of oils? Less waste, less slip more grip, great for myo-facial, reflexology & pressure point work, leaves skin feeling silky and smooth. Choose from:

Natural Balm - Just add your favourite blend of aromatherapy oils.

Cooling Balm - Post sport muscle cooler, with essential oils of lavender & peppermint. Use as a pick me up when feeling tired.

Relaxation Balm - Made from the essential oils of Rose Geranium, Lavender and Mandarin.

Warming Balm - A pre sport muscle warmer with essential oils of camphor eucalyptus, rosemary, clove and wintergreen oils.

Cleaning Up!

Green Aussie Cleaner is an all purpose, environmentally safe cleaner, ideal for keeping your massage table in top condition. The 250ml concentrate will make up to 8 litres of spray.

Aquafresh Laundry Liquid and Powerfresh Powder are designed to remove oil based residues and odours in towels and linen. Aquafresh is available in 1 litre and 5 litres, Powerfresh in 2.5kg and 5kg.
